Afterwards, go to Deir el-Bahri to see the Temple of Hatshepsut, one of Egypt's most successful pharaohs and the country's first female ruler. Your day's adventure

Meet the warm and friendly Nubian people who will welcome you to their village. During the afternoon, cruise to the Great Temple of Kom Ombo, where its soaring columns dramatically rise above the Nile River. Unique in Egypt, this temple is dedicated to two gods — the crocodile god, Sobek, sitting on the right; and the falcon-headed Haroeris, "The Good Doctor." After visiting Kom Ombo, relax on board and take in

the Nile River’s timeless landscapes as the ship continues onward to Luxor. In the evening, join your crew outside in a celebration of local customs with the chance to don a Galabeya, traditional Egyptian attire, and toast to the rich culture and history of the Nile River Valley. (B, L, D)

First, explore the Temple of Karnak, the largest religious complex in Egypt and one of the largest in the world, covering about 200 acres in a vast network of columns, hieroglyphics, obelisks, sphinxes and colossi — even a lake is on the grounds. The Hypostyle Hall is a great architectural marvel and filled with its roof blocks, supported by colossal 134 columns standing at 70 feet high, with 12 larger columns standing at 80 feet high lining the central aisle. This hall is still the largest room of any religious building in the world. After visiting the temple, journey to a museum and discover the art of papyrus making. Learn how the ancient Egyptians used this special plant that flourished in the Egyptian Delta and Nile River Valley. Made from the aquatic papyrus plant, also known as paper plant, this unique writing material served many purposes in ancient times from sails, cloth, food and especially paper for important documents and texts.
