Day 2: Arles (France)

ARLES. Considered one of the most beautiful cities in France, Arles enchants all with its tantalizing history, formerly a Roman center of trade. In the morning, join a guided walking tour where you'll visit the Roman ruins of Arles such as its Roman Amphitheater and the Church of Saint Trophime, famous for its Romanesque architecture. Alternatively, you can enjoy a bike ride along the Rhône, through town to the Langlois Bridge, a famous subject from several Vincent Van Gogh paintings. And for those who wish to delve further into Van Gogh's Arles, join a special walking tour along with a visit to the Vincent van Gogh Foundation, showcasing his legacy. In the afternoon, venture to Les Baux de Provence, a hilltop village and ruined castle. Enjoy time in the "old village,"

its shops, art galleries, and cafes interspersed among the historic ruins. You will also have a unique experience at the Carrières de Lumières, where you will be treated to a spectacular presentation of art, sound, and history projected on the walls of a former limestone quarry set to music. Next, visit an olive farm to learn about this age-old Provençal tradition and enjoy a tasting. Finally, experience the beauty of Saint Rémy de Provence, the location where Van Gogh painted some of his most famous paintings, including Starry Night. (B,L,D)

Day 3: Avignon (France)

AVIGNON. Depending on your interests, you have three choices of excursions for the morning. Avignon, aptly named the “City of Popes,” was the center of the Catholic Church in the 14th century when its “Palais des Papes” was the equivalent of today’s Vatican. Discover the history of Avignon on a guided walking tour that includes the Papal Palace. You will also have time to enjoy the lively Christmas markets with their cheerful atmosphere and delicious regional specialties. Those looking to indulge in local cuisine can visit three venues around Avignon to taste regional specialties including macarons, cheese and wine, and tapenades, along with a visit to the Christmas Markets. More active guests can enjoy a bike tour through the city. In the afternoon, you can go to another UNESCO World Heritage Site, the impressive Pont du Gard, a Roman aqueduct that is a masterpiece of ancient engineering. (B,L,D)

After visiting this enchanting Provençal town, go in search of the highly prized “Black Diamond” truffles with a farmer and his trustworthy canine companion. Alternatively, enjoy a walking tour of Viviers, or set out on a peaceful hike along the trails outside Viviers, culminating in a panoramic view of the Rhône Valley below, or join an active bike tour along the Rhône River.
