Day 2: Barbuda (Antigua and Barbuda)

Barbuda is a small island located in the Caribbean Sea, northeast of the island of Antigua. It is one of the two islands that make up the country of Antigua and Barbuda, along with Antigua. The island is known for its stunning beaches, including the famous Pink Sandy Beach, which is considered one of the most beautiful beaches in the world. It is also home to several wildlife reserves, including the Frigate Bird Sanctuary, which is a UNESCO World Heritage Site. The island has a strong sense of community and a relaxed atmosphere, making it a popular destination for

those looking for a peaceful and secluded

getaway. </p></p><p>DiscoverMORE
Frigate Bird Sanctuary (extra expese, must be pre-booked)
Explore Barbuda's vibrant history and modern life on this guided tour, starting at the seaside jetty and venturing through the island's beautiful countryside and charming villages. First, stop at the historic Martello Tower, built in the early 1800s as a British defence base. Climb the 32-foot tower for stunning views of Barbuda and a glimpse into the island's past. Next, visit Codrington, founded in 1685 by Christopher and John Codrington. Learn about the significant events in the town's history, including the first slave rebellion in 1741, known as Beach's Rebellion, sparked by the harsh treatment of enslaved individuals. Afterward, head to Two Foot Bay, known for its impressive cave featuring ancient petroglyphs carved by Arawak Indians. The view from the top of the cliff is breathtaking, overlooking the Atlantic Ocean. Continue your adventure with a motorboat trip to the Frigate Bird Sanctuary, home to the world's largest nesting colony of these magnificent birds, with around 1,500 Frigate Birds soaring among the mangroves.

Day 14: Little Bay (Montserrat)

Welcome to one of the most unusual and fascinating islands in the Caribbean. Prior to the recent volcanic eruptions that commenced in 1995, Montserrat was considered as one of the "Insiders" favourite Caribbean islands. It was also home to producer George Martin's Air Studios Montserrat recording studio where some of the world's most famous recording artists, including Eric Clapton, Little River Band and Paul McCartney among many others, used to record their albums. Recent history has brought some unfortunate blows to the island ranging from hurricanes (Hugo in 1989) to multiple volcanic eruptions that destroyed the lovely capital city of Plymouth.

DiscoverMORE

Volcano Views, Plymouth & Montserrat Volcano Observatory (extra expense)
Experience the incredible Soufrière Hills Volcano on Montserrat from Plymouth port and discover why it is often referred to as the "Pompeii of the Caribbean." A visit to Montserrat is incomplete without encountering the island's most captivating natural phenomenon. On July 18, 1995, the volcano, which had been dormant for four centuries, erupted spectacularly, releasing 20 feet of ash over the southern coast. This marked the beginning of a series of eruptions that unleashed hot gas and rock flows, ultimately burying the

once-thriving city of Plymouth. The lives of Montserrat's 12,000 residents were changed forever. Your journey begins at the Montserrat Volcano Observatory, where you'll gain invaluable insights into life on an island with an active volcano. Next, you will visit the renowned Buried City. Once the vibrant capital of Montserrat, Plymouth is now shrouded beneath layers of volcanic ash and debris. As you walk through this haunting yet awe-inspiring site, you'll witness the devastating impact of the eruptions and experience the eerie stillness of a place that has been frozen in time. Historical photographs of Plymouth before the disaster will provide a striking contrast, showcasing the city's lively past against its current, somber state.
