As part of your EmeraldPLUS programme, you will start the day by exploring a canal cruise through the Oudegracht or Old Canal, which is not only the oldest in Utrecht, but it is also older than the canals in Amsterdam. For centuries, along the water, the wealthiest have built mansions with the peculiarity of having warehouses and service entrances just above water level. Undoubtedly, the castle of Oudaen stands out among all the rest: an urban castle well preserved despite being more than eight centuries old.
