Day 3: Rotterdam (Netherlands)

Rotterdam is a unique example of a Dutch city. Following the air raids of WWII, reconstruction efforts utilised a patchwork of architectural styles, forever altering the skyline. Today, you'll have the opportunity to explore this contemporary city, which currently boasts the tallest commercial and residential buildings in the Netherlands. The reputation as the city of high rises has historical roots, beginning with the construction of the 45-metre-high office building, the Witte Huis, which, for quite some time, was the tallest office building in Europe.
