Day 3: Arendal (Norway)

Built at the same time, the iconic Store and Lille Torungen lighthouses have been guiding sailors to Arendal since 1844 – and they welcome you, too. The city, originally built on seven smaller islands that have been connected over time, is a delight to explore on a leisurely stroll. Arendal received the prestigious Europa Nostra Award for its outstanding restoration of the Tyholmen old town. See just how well deserved this award is as you stroll through the charming historic district, where colourful

wooden houses catch the eye just as much as the old town hall, inspired by classic palaces.

Arrives On: 15 Aug 27

Day 4: Aalborg (Denmark)

With its vibrant cultural scene, diverse architecture and distinctive historic charm, Denmark's fourth-largest city invites you to explore and while away some time. Ideally located on the banks of the Limfjord, the Utzon Center – designed by Jørn Utzon, the architect of the Sydney Opera House – offers magnificent views and fascinating insights into sustainable construction. The lively heart of Aalborg beats in Jomfru Ane Gade, where restaurants, bars and cafes line the street. Perhaps you'd like to follow the traces of history in the Aalborg area? With Denmark's largest burial ground, ancient stone settlements and mysterious stone circles, the Lindholm Hoje Museum takes you right back to the age of the Norsemen.

Arrives On: 16 Aug 27

Day 5: Kiel (Germany)

Arrives On: 17 Aug 27
