Departs From:	Buenos Aires
Arrives On:	01 Mar 27
Arrives At:	Ushuaia
Cruise Nights:	12
Total Vacation Days:	13

Itinerary

Day 1: Buenos Aires (Argentina)

Welcome to Buenos Aires, where you'll have an overnight hotel stay. Perhaps plan to spend some time in the city, nicknamed the 'Paris of South America'. Resplendent with Belle Epoque buildings, sidewalk cafes and green spaces, there's the fiery passion of Latin America - a collective love for football, flame-cooked meats (asado) and the tango. Some of the highlights are La Boca, a colourful, creative mecca with a must-do art walk, and San Telmo, a former aristocratic neighbourhood that was abandoned during a 19th-century epidemic. Mansions were turned into conventillos (shared housing), boutique hotels, antique shops, and tango clubs, exuding a captivating bohemian vibe.

Arrives On: 17 Feb 27

Day 2: Buenos Aires (Argentina)

Fly from Buenos Aires to Ushuaia, the main island of Tierra del Fuego and the southernmost city in the world. The Captain and crew will warmly greet you as you board your ultra-luxury Discovery Yacht, Scenic Eclipse. Toast the start of your once-in-a-lifetime expedition as you depart South America and cruise through the calm and scenic Beagle Channel, named so for the ship that carried Charles Darwin on his five-year discovery journey. Admire the dramatic views of the Andean mountains from the comfort of your private verandah or from the Observation Deck with its commanding view of the bow.

Arrives On: 18 Feb 27

Day 2: Ushuaia (Argentina)

Arrives On: 18 Feb 27

Day 5: Antarctic Peninsula (Antarctica)

Slide open the floor-to-ceiling doors of your verandah suite to see icebergs sculpted by nature and glacial mountains rising thousands of metres from the ocean. Antarctica is a birdwatcher's paradise, with more than 40 different species, so keep your eyes peeled for wandering albatrosses, which have the largest wingspan of any flying bird, as well as shearwaters, giant petrels and more. Due to the extraordinary nature of the region, excursions throughout your Expedition Voyage are dependent on the ice and weather conditions. Your experienced Captain and specialist Discovery Team, who have made countless journeys to Antarctica, will use their expertise to design your voyage from day to day, making the most of 18–20 hours of daylight. Scenic Discovery:
Daily experiences may include cruising on Zodiacs, stepping ashore to view vast penguin rookeries or historic huts, and kayaking or paddle boarding around icebergs. Wherever your voyage takes you, you will have countless “pinch me" moments.

Arrives On: 21 Feb 27

Day 6: Antarctic Peninsula (Antarctica)

Portal Point^^ – a former British refuge hut – may be a potential landing site during your voyage. Or you may visit Deception Island^^ as part of your itinerary. Nestled in the South Shetland Islands archipelago, it is one of the only places in the world that ships can sail directly into the centre of a submerged caldera of an active volcano. With her world-class design and state-of-the-art technology, Scenic Eclipse can sail through a rocky gap into the horseshoe-shaped harbour. The island is also home to a few small scientific outposts and hundreds of thousands of chinstrap penguins. Tonight could be the night you enjoy Sushi^ @ Koko's with your new friends. Stay up late in the bar or retire to the library for a moment of blissful solitude before bed.

Arrives On: 22 Feb 27

Day 7: Antarctic Peninsula (Antarctica)

Various species of penguins can be found in Antarctic and the sub-Antarctic region, with around 12 million penguins living on the Peninsula, including Adélie, Chinstrap, Gentoo, and the very rare Emperor penguins. Guided by the expert Polar Discovery Team, you'll witness colonies up close; hear their mighty calls and watch as they clumsily waddle along and interact with each other. Whales are another majestic creature you may encounter, whether a minke, a humpback or an Orca. Watch them from the comfort of your ultra-luxury Discovery Yacht, in a Zodiac with an experienced Polar Discovery Team member, or from their level in a kayak or stand-up paddleboard – a breathtaking experience. Scenic Discovery:
When enjoying daily Scenic Discovery excursions, ask for your expert Discovery Leader for photography tips and guidance on how to spot the wildlife around you. They will help you immortalise these incredible moments while cruising on the Zodiacs, kayaking and stand-up paddleboarding around impressive ice formations.

Arrives On: 23 Feb 27

Day 8: Antarctic Peninsula (Antarctica)

Lemaire Channel^^, renowned for its picturesque views and often referred to as 'Kodak Alley', could be our next exciting destination. If during your voyage the Scenic Eclipse weaves through this channel, make sure you set your alarm and embrace the cool air from the Observation Terrace. Pass through the 11-kilometre-long channel, just 700 metres wide at its narrowest point, and be amazed at the dramatic rocky mountains and glowing blue icebergs so close to the ship. In between Scenic Discovery experiences, enjoy a specialty tea or coffee in the Observation Lounge and watch the world float by through Swarovski telescopes.

Arrives On: 24 Feb 27

Day 9: Antarctic Peninsula (Antarctica)

In the distance on a clear day you can see Mount Francis^^ standing tall as Anvers Island's highest peak, showcasing the rugged beauty of Antarctica. Every day is unique, you might get the chance to hike or spend time on the pebbled beach, enjoying the view surrounded by curious penguins. Back on board, explore some of Scenic Eclipse's indulgent spaces, from the welcoming Observation Lounge to the expansive Senses Spa#. Soothe your muscles in the sauna or heated therapy lounge, join a yoga or Pilates class. Choose one of up to 10 world-class dining experiences on board tonight.

Arrives On: 25 Feb 27

Day 10: Antarctic Peninsula (Antarctica)

Be sure to pack your swimming suit because you could be going for a swim today. For many, the polar plunge is a once-in-a-lifetime opportunity and a rite of passage on an expedition to Antarctica. Once throughout your voyage, Scenic Eclipse will stop, and the team will set up the marina ready for the brave people who want to jump into the freezing Antarctic waters. Excitement will spread through the Discovery Yacht, and you will start hearing the contagious nervous laughter. As you stand on the edge, ready to jump, you will feel the adrenaline rush while you second-guess whether this is a good idea. When you jump, the moment before you hit the water will feel like it goes forever, but soon, an invigorating, exciting, and surprisingly refreshing sensation will take over. If you choose to skip the polar plunge, make sure you find a good viewing location as you feel the chills of everyone coming out of the water. Join them for a cup of hot chocolate or toast with a glass of whiskey.

Arrives On: 26 Feb 27

Day 12: Ushuaia (Argentina)

Arrives On: 28 Feb 27

Day 13: Ushuaia (Argentina)

Your voyage ends this morning as you farewell the crew and fellow guests. Disembark after breakfast to fly to Buenos Aires, taking away memories of a truly unforgettable experience. Please book your flight to depart out of Buenos Aires after 09:30 PM.
The itinerary is a guide only and may be amended for operational reasons. As such Scenic cannot guarantee the voyage will operate unaltered from the itinerary stated above. Please refer to our terms and conditions for further information.
^^Subject to weather and operational conditions. Sightings cannot be guaranteed.
