Day 1: Cairns, Queensland (Australia)

Welcome on board Scenic Eclipse II, your ultra-luxury Discovery Yacht. Settle into your luxurious suite and enjoy the first destination of this incredible journey: Cairns, the gateway to tropical north Queensland. This is the only place on Earth where two World Heritage sites collide – the Great Barrier Reef and the Daintree Rainforest. Please book your flight to arrive into Cairns prior to 02:00 PM.

Arrives On: 09 Nov 25

Day 3: Louisiade Archipelago (Papua New Guinea)

The Louisiade Archipelago is a beautiful and remote destination with stunning landscapes, rich biodiversity, and a vibrant indigenous culture. It offers a chance to immerse yourself in nature, explore underwater wonders, and experience the unique traditions of the local communities.

Arrives On: 11 Nov 25

Day 5: Guadalcanal Island (Solomon Islands)

The largest island in the Solomon Islands is covered in tropical rainforest, with picture perfect coasts lined with palms and white sandy beaches. Surrounded by clear water and abundant wildlife, cool off in the ocean as you explore. Learn of the Battle of Guadalcanal while visiting the World War II relics and monuments.

Arrives On: 13 Nov 25

Day 6: Santa Ana Island (Solomon Islands)

Enjoy your morning coffee on the Observation Terrace as we navigate through the picturesque channels on our way to Owaraha. Known for preserving ancient traditions, Owaraha is the ideal place to see the traditional dances and intricate handicrafts fashioned by the island's villagers, dressed in ornate costumes, body paint and masks. At Nafinotoga, Spirit Houses contain ancient skulls and bones of the Snake Clan and Turtle Clan chiefs.

Arrives On: 14 Nov 25

Day 7: Ndende Island (Solomon Islands)

Also known as Santa Cruz, Ndende Island offers stunning lagoons brimming with marine life, stretches of reef, remote islands sprinkled with deserted beaches, crystalline caves, and many picturesque villages. You will be warmly welcomed onshore by a traditional cultural bamboo band and dancers.

Arrives On: 15 Nov 25

Day 8: Vanikoro Island (Solomon Islands)

The five islands of Vanikoro are encircled by a spectacular barrier reef that offers excellent snorkelling. French explorer Jean-François de Galaup, comte de La Pérouse, disappeared in this archipelago after his vessels, La Boussole and Astrolabe, struck the reef in 1788. Visit a monument to Le Pérouse, erected by explorer Dumont Durville in 1827.

Arrives On: 16 Nov 25

Day 9: Champagne Bay, Espiritu Santo Island (Vanuatu)

The largest island in the archipelago of Vanuatu, north of New Caledonia, is Espiritu Santo. While its main industries are fishing and farming, you will be dazzled by the beauty of Champagne Bay, one of the world's most exquisite beaches. A freshwater spring flows into the lagoon, creating a spa-like bubbling sensation at low tide. Espiritu Santo has been inhabited for

many years by Melanesian people known as Ni-Vanuatu, who still observe many ancient traditions.

Arrives On: 17 Nov 25

Day 10: Ambrym (Vanuatu)

Unlike the white sand of Espiritu Santo, the volcanic island of Ambrym is the place to sink your toes into black-sand beaches. Witness the work of woodcarvers who create art out of breadfruit trees and huge tree ferns and see intriguing displays of the local black magic. Watch the Ambrym Islanders' famous Rom dance, performed by chanting men in elaborate costumes.

Arrives On: 18 Nov 25

Day 11: Tanna (Vanuatu)

Tanna's erupting Mount Yasur is regarded as the world's most accessible active volcano. Known for its continuous activity since Captain James Cook observed ash eruptions in 1774, it's considered a sacred area by members of the John Frum cargo cult, who believe their deity resides inside.

Arrives On: 19 Nov 25

Day 13: Lautoka (Fiji)

Your voyage of discovery concludes today. Enjoy your final morning in the ultra-luxury of Scenic Eclipse II and take the chance to reflect on the incredible experiences and remarkable places you've visited.

Disembark in the second largest city of Fiji, Lautoka is located on the western side of the island of Viti Levu, 24 kilometres north of Nadi. As the gateway to Fiji's Sun Coast, it's a pleasant mix of sugar-cane fields, grass-covered peaks, rural villages and market towns. Farewell your new friends, the Scenic Eclipse II Captain and crew.

Please book your flight to depart out of Nadi after 12:00 PM.
