Itinerary

Day 1: Buenos Aires (Argentina)

Welcome to Buenos Aires, where you'll have an overnight hotel stay. Perhaps plan to spend some time in the city, known as the 'Paris of South America'. Resplendent with Belle Epoque buildings, sidewalk cafes and green spaces, there's the fiery passion of Latin America – a collective love for football, flame-cooked meats (asado) and the tango. Some of the highlights are La Boca, a colourful, creative mecca with an art walk, and San Telmo, a former aristocratic neighbourhood abandoned during a 19th-century epidemic. Mansions were turned into conventillos (shared housing), boutique hotels, antique shops, and tango clubs, exuding a captivating bohemian vibe.

Arrives On: 15 Nov 26

Day 2: Buenos Aires (Argentina)

From Buenos Aires your included transfer flights will take you to Ushuaia, the main island of Tierra del Fuego and the southernmost city in the world. The Captain and crew will warmly greet you as you board your ultra-luxury Discovery Yacht. Toast the start of your once-in-a-lifetime expedition as you depart South America and cruise through the calm and scenic Beagle Channel, named so for the ship that carried Charles Darwin on his five-year discovery journey. Admire the dramatic views of the Andean mountains from the comfort of your private verandah or from the Observation Deck with its commanding view of the bow. Due to the extraordinary nature of this region, Discovery excursions throughout your Expedition Voyage are dependent on the weather conditions. Your experienced Captain and specialist polar Discovery Team, who have made countless journeys to Antarctica, Falkland Islands & South Georgia will use their expertise to design your voyage from day to day, making the most of your time in this spectacular destination.

You can also find black-browed albatross, plus Cobb’s wren and Falkland’s flightless steamer duck, which are both endemic bird species. Make sure to ask for some wildlife insights from the expert Discovery Team – comprised of up to 20 polar experts this team of geologists, historians, ornithologists, marine biologists, and glaciologists is at the heart of your Antarctic Voyage. Scenic Discovery: Daily experiences during your expedition voyage may include cruising on Zodiacs, stepping ashore to view vast penguin rookeries, kayaking, stand-up paddleboarding, soar above in the helicopter^ and dive below in the submersible^.
