Your epic voyage begins in Dublin, where you'll be greeted at the airport and escorted to your 6-star ultra-luxury Discovery Yacht. Upon boarding Scenic Eclipse, you'll be warmly greeted by the expert crew. With just up to 228 guests on board, get ready to experience an immersive, engaging voyage through this fascinating part of Europe. Ask your butler to bring a glass of Champagne to your suite and toast the start of your journey from your private verandah. Then, join your fellow guests on the Observation Deck and admire Ireland's capital's lights from afar as we start sailing away. Please book your flight to arrive into Dublin prior to 02:00 PM.

Arrives On: 23 Jun 25

Day 2: Portrush (Northern Ireland)

The capital of Northern Ireland's Causeway Coast, Portrush is set on a mile long peninsula with some of Ireland's best beaches on either side. Discover why it's been a popular seaside destination since Victorian times as you stroll along sandy beaches and walk past historic buildings and arcades. In the evening, enjoy up to 10 extraordinary all-inclusive dining experiences on board your Discovery Yacht, including contemporary French fine dining at Lumière, Italian-inspired cuisine, steak and seafood at Elements, and Asian fusion at Koko's.

Arrives On: 24 Jun 25

Day 3: Oban (Scotland)

The gateway to the Hebrides, Oban is an elegant seaside town surrounded by dramatic shores. Today could be the day you go kayaking and stand-up paddleboarding on sheltered shores, or learn about the Clan MacDougal at the Dunollie Museum, Castle and Grounds, where the green spaces include the Faerie Garden and World of Trees. Older than the town itself, the Oban Distillery dates to 1794 and offers tours and tastings of their single malt scotch whisky. Continue your tasting experience on board at the Scenic Lounge Bar, where you can indulge in over 100 varieties of aged whiskey, including a 25-year-old Glendullan single malt. Join fellow guests on the Observation Deck or have drinks for two on your private verandah as we cruise through the romantic Sound of Mull. Look for golden eagles, porpoises, seals and otters as we make our way to the Isle of Skye.

Arrives On: 25 Jun 25

Day 3: Sound of Mull (Scotland)

Day 4: Portree, Isle of Skye (Scotland)

Start your day with a class in the PURE: Yoga & Pilates studio, where sessions include Aerial Yoga, TRX suspension training and Tibetan sound bowl healing, or work out in the fully equipped state-of-the-art gym, where one-on-one fitness coaching sessions are available. Skye's capital is an attractive fishing port with brightly painted houses around a natural harbour. Once a MacLeod stronghold, the beautiful Isle of Raasay boasts the extinct volcano of Mt Dun Caan, which rises 443 metres high. Stroll through the colourful fishing port at your own pace, visiting local craftspeople and cafes. See the Isle of Skye's jagged mountains and cliff faces from above in one of our two helicopters[^]. The Airbus H130-T2 features wrap-around windscreens, wide windows and Bose® headphones and are some of the quietest helicopters in the sky.

Day 6: Tórshavn (Faroe Islands)

Named after Thor, the Norse god of weather, strength, and growth, Tórshavn is one of the world's smallest capital cities and Europe's least travelled destinations. Towering cliffs, craggy fjords and powerful waterfalls create a wild landscape best explored on an excursion led by the expert Discovery Team. Wander down cobbled alleyways between colourful buildings with grassy roofs and imagine life in Viking times. Tonight, you may like your butler to set up dinner on your private verandah after perusing the comprehensive 24-hour in-suite dining menu. Alternatively, meet your new friends for dinner and raise a glass of Champagne before an extraordinary French fine dining meal paired with world-class wines at Lumière.

In the afternoon we will cruise around Mykines Island, where most of the Faroe Islands' 500,000 strong puffin population nests. Use your in-suite binoculars and the Swarovski telescopes on the Observation Lounge and Deck to take a closer look. Your Discovery Team will provide commentary and be able to answer any questions you may have about the puffins and baby pufflings you see. The World's First Discovery Yachts™ uses Azipod propulsion systems to deliver the lowest noise and vibration levels possible, ensuring minimal disturbance to wildlife and birdlife. Day 9: Seydisfjörður (Iceland)

In a country with an abundance of natural drama, Seyðisfjörður may steal the show. Set at the mouth of a beautiful fjord, this is East Iceland's heart of culture, heritage, and hospitality – and then there's the architecture. The centre of town is known for 19th-century timber houses perched on the side of the lagoon, built by fisherfolk when the region was booming. There's plenty of culture to go with the small-town country charm, not to mention plentiful wildlife, including reindeer and porpoises, drawn by the verdant setting of cascading waterfalls and snow-capped mountains.

After taking in the fjord views as we sail out in the afternoon, join fellow guests for dinner and an engaging show in the state-of-the-art theatre, or dine in and watch a movie on your suite's HDTV with Bose® speakers.

Day 10: Grímsey Island (Iceland)

Today you can walk across the Arctic Circle on Grimsey Island, about 40km off the north coast of Iceland. This small island only has around 100 people living in a village by the harbour, and is a highlight for bird watchers with around a million seabirds nesting in the island's cliffs. Use the Swarovski telescopes on the Observation Lounge and Deck to take a closer look at the puffins, razorbills, black guillemot and other cliff nesting birds.

As we sail towards our overnight stay in Húsavík, enjoy drinks in one of your ultra-luxury Discovery Yacht's nine all-inclusive bars. Sip France's best at Lumière's Champagne Bar, an aged whiskey at Scenic Lounge Bar or a cocktail in your cabana beside the Panorama Bar.
