Itinerary

Day 1: Buenos Aires (Argentina)

Welcome to Buenos Aires, where you'll have an overnight hotel stay. Perhaps plan to spend some time in the city, nicknamed the 'Paris of South America'. Resplendent with Belle Epoque buildings, sidewalk cafes and green spaces, there's the fiery passion of Latin America – a collective love for football, flame-cooked meats (asado) and the tango.

Some of the highlights are La Boca, a colourful, creative mecca with a must-do art walk, and San Telmo, a former aristocratic neighbourhood that was abandoned during a 19th-century epidemic. Mansions were turned into conventillos (shared housing), boutique hotels, antique shops, and tango clubs, exuding a captivating bohemian vibe.

Arrives On: 22 Dec 26

Day 2: Buenos Aires (Argentina)

Fly from Buenos Aires to Ushuaia, the main island of Tierra del Fuego and the southernmost city in the world. The Captain and crew will warmly greet you as you board your ultra-luxury Discovery Yacht, Scenic Eclipse.

Toast the start of your once-in-a-lifetime expedition as you depart South America and cruise through the calm and scenic Beagle Channel, named so for the ship that carried Charles Darwin on his five-year discovery journey. Admire the dramatic views of the Andean mountains from the comfort of your private verandah or from the Observation Deck with its commanding view of the bow.

Day 2: Ushuaia (Argentina)

Day 4: Antarctic Peninsula (Antarctica)

Today you will enter Antarctic waters, an unpredictable but stunningly beautiful environment that always surprises. Rug up in your complimentary polar parka and head to the Observation Deck to spot icebergs for the first time – it's a feeling that will stay with you forever.

Watch out for the blow of a whale in the distance and ask for some insights from the expert Polar Discovery Team. Comprised of up to 20 members, this team of geologists, historians, ornithologists, marine biologists, and glaciologists is at the heart of your Antarctic Voyage.

Scenic Discovery: Due to the extraordinary nature of the region, Discovery excursions throughout your Expedition Voyage are dependent on the ice and weather conditions. Your experienced Captain and specialist Polar Discovery Team, who have made countless journeys to Antarctica, will use their expertise to design your voyage from day to day, making the most of 18–20 hours of daylight.

Arrives On: 25 Dec 26

Day 5: Antarctic Peninsula (Antarctica)

The Weddell Sea is as mesmerising as it is extreme. It's best known as the location where Ernest Shackleton's expedition to cross the Antarctic came to a crushing end, when his ship Endurance was trapped in ice. Today, it's one of the most pristine and intact ecosystems on Earth.

On board Scenic Eclipse, you'll comfortably wind your way through dense ice floes and tabular icebergs, enjoying the eerie stillness and grandeur. From your verandah, listen for the haunting call of the Weddell seal welcoming you to their kingdom. They are one of the toughest mammals on the planet, permanently living further south than any other mammal.

Scenic Discovery: Daily experiences may include cruising on Zodiacs, stepping ashore to view vast penguin rookeries or historic huts, and kayaking around icebergs. Wherever your voyage takes you, you will have countless "pinch me"

moments.</p>

<p>Portal Point – a former British refuge hut – may be a potential landing site during your voyage. Walk up to the hut and look back over the ice-filled ocean towards the ship. </p><p>Or you may visit Deception Island as part of your itinerary. Nestled in the South Shetland Islands archipelago, it is one of the only places in the world that ships can sail directly into the centre of a submerged caldera of an active volcano. With her world-class design and state-of-the-art technology, Scenic Eclipse can squeeze through a rocky gap into the horseshoe-shaped harbour. The island is also home to a few small scientific outposts and hundreds of thousands of chinstrap penguins. </p><p>Tonight could be the night you enjoy Sushi @ Koko's with your new friends. Stay up late in the bar or retire to the library for a moment of blissful solitude before bed.</p>

Eight species of penguins can be found in Antarctic and the sub-Antarctic region, with around 12 million penguins living on the Peninsula, including Adélie, Chinstrap, Gentoo, and the very rare Emperor penguins. Guided by the expert Polar Discovery Team, you'll witness colonies up close; hear their mighty calls and watch as they clumsily waddle along and interact with each other.

Whales are another majestic creature you may encounter, whether a minke, a humpback or an Orca. Day 11: Antarctic Peninsula (Antarctica)

Lemaire Channel is so photogenic it was nicknamed 'Kodak Alley'. If during your voyage the Scenic Eclipse weaves through this channel, make sure you set your alarm and embrace the cool air from the Observation Terrace. Pass through the 11-kilometre-long channel, just 700 metres wide at its narrowest point, and be amazed at the dramatic rocky mountains and glowing blue icebergs so close to the ship.

In between Scenic Discovery experiences, enjoy a specialty tea or coffee in the Observation Lounge and watch the world float by through Swarovski telescopes.

Day 12: Antarctic Peninsula (Antarctica)

Be sure to pack your swimming costume because you could be going for a swim today. For many, the polar plunge is a once-in-a-lifetime opportunity and a rite of passage on an expedition to Antarctica. Once throughout your voyage, Scenic Eclipse will stop, and the team will set up the marina ready for the brave people who want to jump into the freezing Antarctic waters. Excitement will spread through the Discovery Yacht, and you will start hearing the contagious nervous laughter. As you stand on the edge, ready to jump, you will feel the adrenaline rush while you second-guess whether this is a good idea. When you jump, the moment before you hit the water will feel like it goes forever, but soon, an invigorating, exciting, and surprisingly refreshing sensation will take over. If you choose to skip the polar plunge, make sure you find a good viewing location as you feel the chills of everyone coming out of the water.
