After embarking, settle into your spacious suite, where your butler can assist with unpacking and help you choose from the pillow menu for a perfectly tailored night’s sleep. Take time to familiarise yourself with the yacht’s exceptional amenities and, as the evening approaches, join your fellow guests on the Sky Deck and toast to the beginning of an incredible journey. Please book your flight to arrive into Denpasar prior to 02:00 PM.

Day 2: Celukan Bawang, Bali (Indonesia)

Step ashore in Celukan Bawang, a peaceful gateway to northern Bali’s gentler pace. Framed by emerald rice terraces and a sparkling coastline, this quiet harbour village reveals a more authentic side of the island, where everyday rituals, local craftsmanship and coastal beauty unfold in unhurried harmony.

Day 3: Madura Island (Indonesia)

Off the north-eastern shores of Java, Madura feels strikingly different, a proud island shaped by seafaring heritage and traditions that remain central to everyday life. Madura is best known for its distinctive bull-related culture, where colour, music and competitive spirit create an atmosphere unlike anywhere else in Indonesia.

With Scenic Eclipse II potentially among the first cruise vessels to call here, today’s exploration is centred on cultural discovery: a welcome that reflects local customs, the opportunity to hear about and perhaps observe elements of traditional bull racing practices, and time to visit a palace setting associated with Java’s courtly heritage, quite different in character from Bali.

Enjoy an al fresco lunch today at the Yacht Club for delightfully curated courses and a chance to meet your fellow voyagers. Spend the afternoon at leisure in your luxurious suite or head to one of the cabanas on Deck 10, enjoying inspiring views of the ocean.

Life moves at a gentler rhythm here, and long-held traditions still shape daily routines, ceremonies and community gatherings.

As a rare cruise call, today’s visit is about soaking up that sense of place: a welcome that reflects local custom, time to walk through a village or coastal area and glimpse everyday island life, and the chance to hear about Bawean’s stories, crafts or beliefs that distinguish it from mainland Java. Scenic Discovery:
Today you may also be able to join your Discovery Team for a choice of relaxed water-based activities, such as coastal Zodiac cruises or swimming and snorkelling where conditions and local arrangements allow.
