Take some time to settle in, meet your personal butler and pick the perfect pillow from the plush pillow menu. Explore your luxurious Discovery Yacht before dinner, from the inviting Sky Bar and outdoor Vitality Pool on Deck 10 to the indulgent Senses Spa on Deck 6 and the Observation Lounge and Terrace on Deck 5. Toast to the begin of this once-in-a-lifetime journey looking out to the twinkling lights of Tokyo as we depart port.

Please book your flight to arrive into Tokyo prior to 02:00 PM.

Arrives On: 20 May 25

Day 2: Shimizu (Japan)

This morning, request breakfast to be served on your 6-star suite, and have your camera on-hand to photograph your sail toward the small but stunning town of Shimizu. Backdropped by the majesty of Mount Fuji, you'll soon understand why Shimizu is considered one of Japan's most beautiful ports. With a history dating back to the Nara Period (710–784) and endowed with stunning natural scenery, such as the silvery wisps of Shiraito Falls flowing from the Fuji's foothills, Shimizu is brimming with inspiring sights. Discover rich Japanese culture and history at nearby shrines, stroll the centre of town to immerse in local life, and admire the World Heritage-Listed site and highest peak in Japan, mighty Mount Fuji. Return to your ultra-luxury Discovery Yacht to dine with new friends at one of the all-inclusive exquisite culinary experiences on board.

Arrives On: 21 May 25

Day 3: Toba (Japan)

Awaken today in the pretty, pearlescent Toba on the Shima Peninsula in Mie Prefecture. This small city is enrobed by the Ise-Shima National Park and rotates through a seasonal spectrum of colours from the soft pink of cherry blossoms in spring, to the vivid greens of summer vegetation, and the red-and-gold hues of autumn. Toba is perhaps best-known for its oyster and pearling industries, particularly its female pearl divers, or 'ama'. Discover more about this tradition on Mikimoto Pearl Island, where you can learn all about the cultivation of pearls in the museum, watch ama demonstrations, and shop for exquisite mementos. Spend another indulgent evening on board Scenic Eclipse watching the ocean darken with nightfall as you enjoy a cocktail at the Observation Deck or Panorama Bar.

Arrives On: 22 May 25

Day 4: Kobe (Japan)

Arrive this morning in the harbour city of Kobe on the island of Honshu. Compact and condensed between the sea and the Rokko mountain range, Kobe has a long history of maritime trade. Yet, despite its centuries-old role as a significant port, beautiful Kobe is a modern-looking city, having been completely rebuilt following a devastating earthquake in 1995. You may choose to explore on your own to learn more about this event at the Earthquake Museum. If you prefer to spend the afternoon in the ultra-luxury of your Discovery Yacht, retreat for a touch of tranquillity at the expansive Senses Spa and indulge in a massage or treatment, or refresh with a haircut at the salon.

Arrives On: 23 May 25

Day 5: Uno (Japan)

This morning, you will arrive at the port of Uno, the gateway to the garden city of Okayama, the second-largest city in the Chugoku region. Choose to spend your day strolling immaculately manicured gardens, admiring historic architecture or contemplating thought-provoking art. Okayama is home to the stunning Korakuen Garden, which was commissioned by a feudal lord in 1687 as a place to receive guests. Styled in the traditional Japanese aesthetic with elegant ponds, bridges and sculptural plants, the Korakuen is ranked as one of the top three landscaped gardens in Japan. It sits across the Asahi River from Okayama Castle; dubbed 'Crow Castle' due to its black exterior, visitors can tour the historical exhibits here and take a bizen-yaki pottery class in the castle park studio. Return to your ultra-luxury Discovery Yacht this evening and unwind with a cocktail in one of the all-inclusive nine bars and lounges.

Arrives On: 24 May 25

Day 6: Takamatsu (Japan)

Overnight you will have arrived at Takamatsu, the capital of Kagawa. Gazing upon the Seto Inland Sea, the port of Takamatsu is the gateway to the sea's many stunning islands. From here you can travel along the longest road bridge in the world, the Seto Ohashi Bridge. A spectacular feat of engineering, the bridge lays out stunning views of this beautiful archipelago. Explore the ruins of the waterfront Takamatsu Castle, wander the tranquil Ritsurin Koen garden, built by feudal lords in the Edo Period, and enjoy the local specialty of 'sanuki udon' noodles, famed for its delightful texture. With an overnight stay in Takamatsu, you have ample opportunity to explore.

Day 7: Takamatsu (Japan)

Wake this morning to vibrant Takamatsu beckoning you from the sophisticated spaces of Scenic Eclipse. The flat-topped mountain of Yashima was the site of an important battle between rival clans in the 12th century. Yashima's lofty vantage also treats visitors to breathtaking panoramic vistas and inspires reverence with a traditional temple. Closeby is the picturesque island of Ogijima. This small but beautiful slip of land will captivate with its serenity. You may have the opportunity to walk to the lighthouse and explore the labyrinthine laneways of the traditional village. Ogijima's sister island, Megijima is also accessed by a ferry from Takamatsu. The forested mountains of the island are enshrined in folklore and nicknamed 'Ogre Island' on account of a local legend. Stroll the atmospheric village, take in the sea air, and glimpse the Seto Inland Sea from the mountaintop.

Arrives On: 26 May 25

Day 8: Hiroshima (Japan)

Arriving into port this morning, your day may begin with a moment of reflection on a visit to Hiroshima. Perhaps one of the most significant sites of modern warfare, this city ravaged by the atomic bomb during World War II has risen to become a living symbol of peace and rebirth. Enrobed in sombre history, inspiring perspective, and striking natural beauty, Hiroshima is a destination you will long remember. Visit the Peace Memorial Park and World Heritage listed Atomic Bomb Dome, where you can absorb the importance of Hiroshima's history and admire the city's determination to endure and overcome.

Return aboard in time for a long, leisurely lunch at one of the refined and relaxed eateries, such as Azure Bar & Café or the Yacht Club, as you journey toward the small island of Miyajima this afternoon. Well-loved for its serene, water hemmed views, Miyajima (which translates to 'Shrine Island' in Japanese) is known for its Itsukushima shrine and enormous torii gate, which, at high tide, appears to float above the water.

Today, its pretty beach and location as the gateway to Seoraksan National Park make it a lively tourist hub.

Incredibly fresh seafood is another huge attraction here. As you stroll around the city, perhaps sample locally caught specialties at the Sokcho Central Market, where you can enjoy the day's catch alongside other Korean favourites.

To take in the unrelenting beauty of the landscape, make your way to the Lighthouse Observatory or head to the Seoraksan National Park. Inhale the fresh forest air and listen to the tranquil song of gently flowing rivers.
