Itinerary

Day 1: Bergen (Norway)

Your journey begins in the World Heritage-listed city of Bergen, where you'll be greeted at the airport and escorted to your 6-star ultra-luxury yacht. Upon boarding, meet Scenic Eclipse's world-class crew and settle into your luxury suite before sharing a Champagne toast on the Observation Deck as you set sail and start following the stunning Norwegian coastline down to Stavanger. Please book your flight to arrive into Bergen prior to 02:00 PM.

Arrives On: 04 Aug 25

Day 2: Flåm (Norway)

Nestled at the heart of Sognefjord and flanked by steep mountains, the tiny village of Flam is one of Norway's most popular destinations. Here you can take one of the world's most spectacular railway journeys, the 20km Flam Railway, which offers unobstructed views of the valley

as it winds gently through the peaks towards the town centre.

Depart after lunch for an awe-inspiring scenic cruise through the majestic Nærøfjord. This World Heritage-listed site is the most wild and beautiful arm of Sognefjord, with its towering cliffs and cascading waterfalls. Later, be immersed in the charming village of Gudvangen, nestled amidst dramatic landscapes.

Arrives On: 05 Aug 25

Day 2: Gudvangen (Norway)

Arrives On: 05 Aug 25

Day 3: Ålesund (Norway)

An Art Nouveau gem at the entrance to Geirangerfjord, Ålesund is one of Norway's most beautiful cities. It was completely reborn after a devastating fire in 1904, and its gorgeous architecture acts like a living time capsule.

Wander the streets lined with some of the best period architecture in Europe or learn about the city's unique history at the Art Nouveau Centre & the Art Museum KUBE. See otters, seals, Humboldt penguins, fish and more at Northern Europe's largest saltwater aquarium, Atlanterhavsparken. A late departure lets you experience the vibrant nightlife in a place where the sun doesn't set until close to midnight.

Arrives On: 06 Aug 25

Day 4: Geiranger (Norway)

Make a short stop this morning in the small village of Hellesylt. Then you'll cruise into the World Heritage-listed Geirangerfjord, sailing over sparkling waters beneath 800-metre cliffs. Look out for the jaw-dropping Seven Sisters Waterfall. Perhaps join the Discovery Team on kayaking excursions or other discovery experiences.

Arrives On: 07 Aug 25

Day 6: Leknes (Norway)

Stand on your private verandah early this morning or join the other passengers on the Observation Terrace as you sail into the Lofoten Islands. Rising dramatically from the sea, these tall, craggy outcrops with impossibly blue water, sheltered coves and pristine beaches are a must-see. Leknes is the gateway to the islands' outdoor adventures with sea kayaking, hiking, birdwatching and even surfing available nearby.

Tonight, under the glow of the midnight sun, Scenic Eclipse will sail through the majestic Trollfjord. With a narrow entrance and steep mountains along each side, it appears almost too small for the ship to

enter. </p>

Arrives On: 09 Aug 25

Day 7: Tromsø (Norway)

<p>Known as the cultural hub of the Arctic, Tromsø sits 400 kilometres above the Arctic Circle. Surprisingly cosmopolitan for its remote location, during the summer Tromsø is full of locals basking in the endless sunlight, tucking into fresh seafood on the docks, enjoying a drink at the world's northernmost brewery or taking a dip in the refreshing waters of the local

beach.</p><p>Tromsø has been the starting point for many Arctic expeditions over the past two centuries, and you can follow in the footsteps of legendary explorers through the town or learn their stories at the museum.</p>

Arrives On: 10 Aug 25

Day 8: Port information not found

<p>It's another sea day today, though make sure you're standing on the Observation Deck or with a drink at the Sky Bar after lunch for a remarkable sight. Scenic Eclipse will sail past Nordkapp, or North Cape, soaring 307 metres from the sea into the sky. This is the northernmost point of

Europe, where the sun doesn't set for up to three months over summer.</p><p>Use your time today to dive into Norwegian history and the legends of the fjords with engaging lectures from the Discovery Team. Scenic Eclipse will sail north tonight, across the Barents Sea towards Svalbard.</p>

Arrives On: 11 Aug 25

Day 9: Bear Island (Norway)

<p>Welcome to the remote wilderness of the Svalbard Archipelago, a dramatic polar desert surrounded by rugged glaciers, frozen tundra and craggy mountain peaks. Bear Island, or Bjørnøya in Norwegian, is the southernmost island in the archipelago. It's home to the largest seabird colony in the northern hemisphere with around 1.5 million nesting birds – use the binoculars in your suite to spot Svalbard rock ptarmigans, puffins, skuas, little auks, kittiwakes, black guillemots and more.</p>

<p>If conditions allow, join a Zodiac cruise to explore spectacular sea caves and tunnels or possibly step ashore on an island where the only inhabitants work at a meteorological station.</p>

Arrives On: 12 Aug 25

Day 10: Svalbard Archipelago (Svalbard and Jan Mayen)

Due to the extraordinary nature of Svalbard, your itinerary will be flexible over the next five days. Your experienced Captain and Discovery Leader will use their expertise to design this section of your voyage from day to day, making the most of the long hours, weather and ice conditions to give you the best experience possible in this extraordinary part of the world.

Daily Scenic Discovery excursions include Zodiac cruises, kayak tours and nature walks where you can discover majestic Arctic scenery, native wildlife and marine life. Then join the Discovery Team for insightful lectures in the state-of-the-art theatre.

Day 11: Svalbard Archipelago (Svalbard and Jan Mayen)

Be sure to keep the binoculars provided in your suite with you or use the Swarovski telescopes on the Observation Lounge for a closer look at the Arctic wildlife. Listen out for the loud crack of a glacier calving as you soak in the scenery and keep your eyes peeled for movement on the ice and in the water.

Take advantage of the open bridge policy today and join the Captain at the helm of your Discovery Yacht as it sails through this Arctic wonderland. See how they navigate through Polar regions where ice and weather conditions can rapidly change plans before your eyes. The unpredictability of an Arctic voyage is all part of the journey and adds to the excitement.

Weather permitting, more Discovery excursions will be available today, taking you further into these spectacular landscapes. Remember you can always look for the Discovery Team to answer any questions you may have and to help plan your upcoming expedition experiences.

Day 13: Svalbard Archipelago (Svalbard and Jan Mayen)

Every day brings a new magical vista, from magnificent glaciers in iceberg dotted waters to jagged snow topped mountains towering over green slopes of tundra.

This morning, we may visit Signehamna, a stunning natural harbour

that's home to the remains of a secret German weather station from World War II. Nearby is Ny Ålesund, home to the world's northernmost post office. The UK Arctic Research Base here is believed to be the world's northern-most community, made of up to 150 people. The harsh environment and mixture of nationalities working at the base creates a unique atmosphere that you may be able to experience with a guided visit.

Day 14: Svalbard Archipelago (Svalbard and Jan Mayen)

Mark your final day in Svalbard with a once-in-a-lifetime experience.
