Here, residents cycle along wide streets, relax in leafy parks and dine under the stars in open-air restaurants. It's known as a global financial centre, but there's also one of Europe's most eclectic cultural scenes, world-class contemporary art and a fascinating history. Check in to your historic hotel in Zurich for an overnight stay.

Day 2: Zurich (Switzerland)

Set off on foot this morning for a walking tour with a local guide. Zurich is one of the world's great walking cities, with a flat centre, many pedestrian-only streets and historic bridges. Wander along the Bahnhofstrasse, the city's main street that's lined with glamorous boutiques and

international flagship stores. Straddling both sides of the Limmat River, Zurich's Old Town is a pleasant jumble of tiny laneways, cobbled squares and medieval buildings. Don't miss St Peter's Church, where the original 9th century foundations are still visible beneath the chancel and the iconic twin towers of the Grossmünster church. Then, travel through the impossibly pretty town of Lucerne. Perched on the edge of the spectacular Lake Lucerne, you'll find exquisite medieval architecture, a 685-year-old wooden footbridge (the oldest in Europe), and glimpses of the majestic Alps in the distance. Comprising numerous baths, you can soak in these waters said to possess healing properties, at your leisure.

Schloss Favorite: Originally built as a hunting lodge and summer palace for Margravine Sibylla Augusta, who ruled Baden-Baden in the early 18th century when her husband Louis William, margrave of Baden-Baden, died of a war injury. The palace was only used for several weeks each year, and houses a large collection of fine porcelain. It is the oldest of the German 'porcelain palaces' and the only one to survive intact to this day.

This afternoon, return to your Scenic Space-Ship for lunch and take the time to relax on board.
