The city is an architectural treasure trove comprising styles from Gothic to Art Nouveau and everything in between. It is also well known for its hot springs and thermal baths and has a vibrant nightlife scene.

Freechoice: A range of Scenic Freechoice activities are on offer to choose from this morning:

Budapest in Depth: Explore this magical city by coach. Visit both Buda and Pest, the two districts that are separated by the Danube that make up the city. Starting on the Buda side see the Várkert Bazár before crossing the Margaret Bridge to the Pest side where you will see Széchenyi square and Elizabeth square. End your tour with a mesmerising piano recital at the Institute for the Blind.

Budapest's Past & Present: This walking and coach tour will give insight on Budapest's communist past and life today as part of the European Union, including the 1956 Hungarian revolution and the significant Jewish events that have shaped modern culture.

Hospital in the Rock: Experience the labyrinths of the Hospital in the Rock, set underneath the city's Castle district. The complex was built as a secret hospital during WWII and was later converted to a nuclear bunker. Discover the underground former hospital that is furnished with wax figures to give you the spirit of the place. This is an exciting part of history. The underground is moderately flat but there are a few stairs to get there and then again once inside.

Thermal Baths: Budapest is known for its thermal waters and today you can relax in the natural hot springs at Gellert Baths. The baths are said to have medicinal properties and are warm year-round allowing for a luxurious soak no matter what the season.

Guided hike of Buda: Strap on your walking shoes for a beautiful hike through the Buda district of the city. On your walk, see Varket Bazar and beautifully landscaped gardens, all while enjoying great views over the Danube River and the city architecture.

This afternoon is at leisure. Perhaps set out to explore the Central Market Hall – the largest market in the city, built in neo-gothic style for a combination of shopping and sightseeing.
