Itinerary

Day 1: Broome, Western Australia (Australia)

Your Expedition Voyage begins in Broome, a characterful coastal town where red pindan soils meet the turquoise Indian Ocean and long sweeps of white sand. Tropical light, tidal flats and a laid-back atmosphere together create a distinctive gateway to the Kimberley.

Welcome on board Scenic Eclipse II, your ultra-luxury home for the days ahead. Settle into your spacious suite, with butler service on hand and thoughtful touches that range from a curated pillow menu to the mini bar, restocked daily to your preferences. Take time to explore the decks and find your favourite indoor and outdoor spaces, before toasting the start of your voyage with a glass of champagne in the Scenic Lounge Bar or a cocktail at the open-air Sky Bar on Deck 10. Please book your flight to arrive into Broome prior to 02:00 PM.

Arrives On: 29 May 28

Day 2: Lacepede Islands, Western Australia (Australia)

After a relaxing morning on board Scenic Eclipse II, arrive in the afternoon at the remote Lacepede Islands, located approximately 120 kilometres north of Broome. Designated an A-class reserve, this protected archipelago is renowned for its prolific seabird colonies and rich marine life. It is also Western Australia's most significant breeding ground for green turtles and, in season, a notable location to observe migrating humpback whales.

As the day continues, perhaps enjoy a coffee or cocktail in one of the yacht's bars and lounges, or settle into the Observation Lounge library with a book. Later, join the Discovery Team in the state-of-the-art theatre for an introductory lecture, offering insight into the remarkable region you are exploring.

Arrives On: 30 May 28

Day 3: Talbot Bay, Western Australia (Australia)

Sir David Attenborough named the Horizontal Falls± at Talbot Bay "one of the greatest natural wonders of the world." Created by a unique combination of geology and massive tidal surges squeezed through two narrow cliff passages, this is the only place in the world where horizontal falls exist. After a full day exploring this fascinating region, relax in the Vitality pool and gaze out across the breathtaking panoramic views. Scenic Discovery:
Explore some of the planet's most unique waterways by Zodiac. Conditions permitting, journey through the narrow Talbot Creek, locally known as Cyclone Creek, to reveal gorgeous sandstone folding where you may spot rock wallabies on outcrops, or the 18 different species of birdlife including Australian Ibis, Brahminy Kite and Brown Honeyeater. ±Please note, guests will have the opportunity to view this natural phenomena however will not cruise through the Horizontal Falls.

Arrives On: 31 May 28

Day 4: Port information not found

Wake to a completely new vista at Montgomery Reef, the world's largest inshore reef that boasts some of the Earth's biggest tidal changes, reaching up to 10 metres (33 feet). As the tides rise or fall, both soft and hard coral are exposed, falling below sea level to create a remarkable spectacle.

Go ashore at Freshwater Cove located on Worrora country and meet with traditional Dambimangari guides of the Arraluli clan and be immersed into the importance of their culture. Hear about the Traditional Owners and the story of how the Wijingarra, or native spotted Quoll, came into being and how the area's freshwater was created. Scenic Discovery:
Subject to conditions and approvals, you may have the opportunity to explore Montgomery Reef by Zodiac, with your Discovery Team. If the timing is right, discover thousands of small waterfalls cascading down the reef and see incredible marine life including sea turtles, octopus, sharks, rays, dolphins and more.

Arrives On: 01 Jun 28

Day 5: Careening Bay, Western Australia (Australia)

Careening Bay, within Port Nelson, is closely linked to early coastal exploration. In 1820, British surveyor Phillip Parker King careened his vessel HMC Mermaid here for repairs, commemorating the event by having its name carved into the trunk of a vast boab tree that still bears the inscription today. Scenic Discovery:
Guided by the Discovery Team, time ashore may include a visit to the historic “Mermaid Tree” and the surrounding shoreline, with opportunities to appreciate the bay’s quiet beaches, distinctive boabs and coastal vegetation. Later, cruising by small craft around nearby islands and inlets can reveal mangroves, sheltered coves and marine life such as sea turtles. As Port Nelson’s sandstone and basalt cliffs come into view, the interplay of light on rock and water provides a striking natural backdrop for photography and quiet contemplation.

Arrives On: 02 Jun 28

Day 6: Hunter River & Mitchell Falls, Western Australia (Australia)

Today, Scenic Eclipse II will cruise through York Sound to the mouth of the Hunter River. A true wilderness with jaw-dropping panoramas of wild escarpments, monsoon rainforests and the four-tiered Mitchell Falls, carved out over millennia.

Subject to conditions and scheduling, for a fresh perspective embark on a helicopter^ flight for magnificent aerial views of the Hunter River or Mitchell Falls. Also known as Punamii-uunpuu, it’s an iconic Kimberley landmark and a place of cultural and spiritual significance for the Wunambal people.

Later, treat yourself to an indulgent time in the Senses Spa. Be pampered with a range of signature ESPA treatments# and relaxation lounges. Then watch the world slip by as you relax in a cabana on Deck 10, before taking a dip in the Vitality pool. Alternatively, ask your butler to deliver afternoon tea to your suite to enjoy on your private verandah while marvelling at the endless ocean.

Arrives On: 03 Jun 28

Day 7: Swift Bay, Western Australia (Australia)

Swift Bay offers a rare concentration of Kimberley rock art styles in one area, with Gwion Gwion and Wandjina galleries located within reach of your Scenic Discovery Yacht by a short Zodiac transfer. Towering sandstone escarpments and sheltered rock overhangs frame a landscape where culture and country are closely intertwined. Scenic Discovery:
Accompanied by the Discovery Team, visit ancient Gwion Gwion galleries (formerly known as ‘Bradshaw’ paintings), where fine, elongated human figures appear in flowing headdresses and dynamic postures. Nearby, Wandjina rock art depicts powerful creation beings and rain-bringers that remain central to the living culture of the region’s Indigenous

peoples.

Subject to conditions and scheduling, there may also be an option to join a scenic helicopter^ flight over the Mitchell Plateau to view the tiered cascades of Mitchell Falls from the air.

Arrives On: 04 Jun 28

Day 8: Port information not found

The morning is yours to savour at leisure as Scenic Eclipse II approaches the remote beauty of Ashmore Reef. Indulge in a Senses Spa treatment#, join a revitalising yoga or Pilates session, take a refreshing dip in the Vitality Pool, or simply unwind on board.

Ashmore Reef, one of Australia's most remote and pristine marine parks, is a protected haven of three tropical islands encircled by vibrant coral, spanning 583 square kilometres. Recognised as an Important Bird Area (IBA), this carefully preserved sanctuary offers a rare opportunity to witness untouched natural beauty from your vantage point at sea.

As your truly all-inclusive ultra-luxury Scenic Discovery Yacht cruises gracefully around the reef, have your camera ready to capture its extraordinary landscapes. Join the expert Discovery Team on the open decks for an engaging birdwatching experience, where you'll gain insight into the diverse seabirds and marine life that thrive in this secluded ecosystem, all while immersed in the serenity of your surroundings.

In the evening, settle in at one of the eight bars and lounges to enjoy a beverage of your choice. Indulge in over 100 whiskies at the Scenic Lounge Bar or perhaps book a wine tasting session to pair your day with the right drop. Our visit to Ashmore Reef is required to meet Australian Government regulations. Exploration of the reef is subject to weather and sea conditions due to its exposed offshore location.

Arrives On: 05 Jun 28

Day 9: Vansittart Bay, Western Australia (Australia)

Vansittart Bay, a sheltered inlet along the Kimberley coast, is known for its quiet beaches, rust-red headlands and deep cultural significance for Traditional Owners. Here, traces of more recent history appear alongside ancient stories, including the remarkably well-preserved skeleton of a World War II Douglas C-53 aircraft resting in the landscape. Scenic Discovery:
A guided visit ashore may begin with a short Zodiac transfer to a secluded sandy beach, where the expert Discovery Team can introduce the bay's geology, history and cultural context as you explore this remote corner of the Kimberley at an unhurried pace.

Arrives On: 06 Jun 28

Day 10: Port information not found

The King George River carves its way through the remote Kimberley region of Western Australia, culminating in King George Falls, a dramatic twin cascade dropping more than 80 metres over sheer sandstone cliffs. Accessible only by water or air, this immense gorge system reveals rust-red walls, tidal reaches and pockets of mangrove forest, with Brahminy kites, egrets and kingfishers often seen above the river's tranquil surface. Your Scenic Discovery Yacht is purpose-built to navigate such secluded waterways with ease and comfort. Scenic Discovery:
A Zodiac cruise may take you deeper into the gorge for a striking perspective on the falls, gliding beneath towering rock faces and along mangrove-lined banks, where there may be opportunities to observe sunning crocodiles and an array of birdlife, including ospreys, falcons, egrets and kingfishers. Weather and tides permitting, the Discovery Team may be able to approach close enough for you to feel the cooling spray from the falling water.

Arrives On: 07 Jun 28

Day 11: Darwin, Northern Territory (Australia)

Your Scenic Eclipse II voyage comes to an end, leaving you with unforgettable memories of remote coastlines, dramatic landscapes and rare wildlife encounters. Your journey continues ashore, where the adventure through Australia's Top End unfolds with new discoveries and immersive land experiences. Settle into Darwin's relaxed coastal rhythm, where a vibrant harbour front, open-air markets and a distinctly laid-back energy offer an inviting introduction to the Top End. This evening, enjoy the first of two nights at your hotel, ideally located to explore the city at your own pace.

Arrives On: 08 Jun 28

Day 12: Darwin, Northern Territory (Australia)

Scenic Freechoice:
Today, expand your visit with your choice of a range of illuminating activities.

Jumping Crocs and Nature Adventure: Experience these reptiles in the wild on the beautiful Adelaide River, where crocs leap out of the water pursuing their prey. Your tour also includes a visit to Fogg Dam, a wetlands nature reserve teeming with wading birds and other unique wildlife. The wetlands of the Top End are of great international importance on account of their accessibility, splendour and cultural significance.

Litchfield National Park: Litchfield National Park abounds with permanent spring-fed waterfalls, remnant monsoon vine forests, unusual rock formations and interesting scenery. An hour easily becomes a day relaxing in this wonderful park, which reveals its considerable wonders the further you explore.

WWII Bombing of Darwin Tour: Learn about the history and significance of the Pacific Campaign of WWII; the largest attacks ever launched against Australia. Visit landmarks, view relics of the war and take a cruise on Darwin Harbour in this informative guided tour, which outlines the shocking extent of the damage suffered by the city during the war.

Darwin City Sights – Hop-on-Hop-off Tour: The perfect introduction to the Top End city of Darwin. Take in

all of Darwin’s main historical and cultural attractions with an opportunity to stop and visit during the tour.

Arrives On: 09 Jun 28

Day 13: Darwin, Northern Territory (Australia)

After breakfast, travel south to the charming township of Batchelor, gateway to the lush wonders of Litchfield National Park. Soak in sweeping views of Florence Falls from the lookout, where twin cascades tumble into a tranquil plunge pool below.

Continue to Wangi Falls, a tropical oasis framed by monsoon rainforest. Here you can take a refreshing swim in the crystal-clear water and savour a leisurely light lunch in a serene setting.

In the afternoon, cross the Adelaide River as the landscape opens into one of Australia’s great wilderness regions: Kakadu National Park. Dual-listed by UNESCO for both its natural beauty and cultural significance, this remarkable destination promises ancient landscapes, rich Indigenous heritage and unforgettable sunset vistas.

Arrives On: 10 Jun 28

Day 13: Kakadu National Park, Northern Territory (Australia)

Arrives On: 10 Jun 28

Day 14: Kakadu National Park, Northern Territory (Australia)

Begin the day with an unforgettable 60-minute flight over Kakadu, soaring above rugged sandstone escarpments, vast floodplains and winding rivers that showcase the sheer scale and beauty of this ancient landscape. From the air, the patterns of wetlands and rock country unfold beneath you in a breathtaking tapestry of colour and texture.

Later, venture to the East Alligator River for a deeply enriching cultural cruise hosted by local Indigenous guides, who share stories, traditions and insights into caring for Country. Continue on to Ubirr, home to one of Australia’s most renowned rock art sites, where two gentle walking options reveal remarkable Aboriginal artworks that date back thousands of years.

As the afternoon light softens, make your way back to your hotel to relax and refresh before dinner, with time to savour the day’s experiences and lingering views of Kakadu’s timeless horizons.

Arrives On: 11 Jun 28

Day 15: Kakadu National Park, Northern Territory (Australia)

Journey back along the Arnhem Highway this morning, travelling through the wetlands and woodlands of Mary River National Park. Here you will board a serene cruise across vast floodplains and glassy billabongs, a haven for prolific birdlife and one of the world’s highest

concentrations of saltwater crocodiles.

After your cruise, continue via the rural township of Humpty Doo, an important agricultural hub for the Top End. Arrive in Darwin in the afternoon, where your three-day Kakadu escape draws to a close, leaving you with lasting memories of timeless landscapes and rich cultural encounters. #Spa treatments and services at additional cost. Daily activities may be subject to change; please consult your Daily Wonder for updates.
+All drinks on board, including those stocked in your mini bar, are included, except for a very small number of rare, fine and vintage wines, Champagnes and spirits. Specialty restaurants require a reservation, enquire on board.
