Day 1: Paris (France)

Fly from the UK to Paris. Welcome to Paris, the City of Lights. The French capital is home to some of the world's most famous monuments, from the Eiffel Tower to the Arc de Triomphe; museums that contain masterpieces such as Da Vinci's Mona Lisa and Van Gogh's Self Portrait; and iconic public spaces from elegant tree-lined Champs-Elysee to its urban oasis Jardin des Tuileries. Whether it's your first or fiftieth time to this romantic city, there is always something new to discover. Your journey will also culminate in Paris where you'll have the opportunity to scratch the surface a little more. Upon arrival, transfer to your Scenic Space-Ship where your friendly crew await to welcome you on board. Relax in your luxurious suite or take a beverage to the Sun Deck.

Arrives On: 15 Oct 25

Day 2: Conflans-Sainte-Honorine (France)

Wake this morning in Conflans, a medieval town located at the confluence of the River Seine and Oise. Though it's just a short distance from the centre of the city, it feels a world away. A castle was built here by monks in the 9th century to protect the relics of Saint Honore, from whom the town gets its name. It became a popular pilgrimage site in the 11th century, a practice which lasted for more than 700 years. Wander the quiet streets and the riverside pathway, sip coffee at an open-air café, and admire the beautiful ancient church. From here, you can explore some of the outer regions of Paris.

Freechoice: Today, choose one of our Scenic Freechoice activities:

Visit to Auvers-Sur-Oise: Transfer to the village of Auvers-Sur-Oise, the place where Vincent Van Gogh painted his final masterpieces, by coach. Throughout the town you will see landmarks that were immortalised by Van Gogh in some of his well-known artworks such as the famous Notre Dame de l'Assomption church. The tour includes entry to Van Gogh's room, an attic that he rented during his final months. The artist was the last occupant of this room, which has sat empty since 1890. Enjoy free time afterwards to wander through the village.

Chantilly Castle and Gardens: Chateau de Chantilly is a magnificent tribute to France's cultural heritage, built by Henri D'Orleans, the son of the last King of France. Take a guided tour of the castle and gardens, including some free time to explore the grounds. The chateau showcases some of the fine collections D'Orleans amassed during his life, which you can see displayed elegantly in the large gallery as well as the grand living areas used by this family.

This afternoon you'll spend time on board as your Scenic Space-Ship cruises back to Paris. Relax with a regional wine or beer in the Panorama Lounge & Bar; take some time out in the wellness centre, where you can enjoy a massage; or head to the state-of-the-art gym for an invigorating workout.

Arrives On: 16 Oct 25

Day 3: Rouen (France)

Rouen is the vibrant capital of the Normandy region. With a fascinating history of Roman and Viking settlement, it has also played a pivotal place in history as the town where Richard the Lionheart was crowned Duke of Normandy and Joan of Arc was burnt at the stake. Much of Rouen was sadly destroyed in World War II, but much of the city has been faithfully restored, including the exquisite Old Town. It's an engaging and historically rich destination, packed with museums, stylish bistros and coffee shops, and a wealth of churches, including the famed 12th century Rouen Cathedral.

Freechoice: Explore your way with one of this morning's Scenic Freechoice excursions:

Rouen city tour: Victor Hugo once described Rouen as 'the city of a hundred spires' – find out why on a guided tour of the city, which takes you to the cathedral district, the old marketplace and Saint Maclou Quarter, home to another striking church. Feel as though you've stepped into a fairytale as you walk the winding medieval laneways and admire the half-timbered houses. Learn about Joan of Arc and see where she was tragically put to death after being tried for heresy and sorcery in 1431. Enjoy free time afterwards to explore on your own.

Guided tour of Rouen with Rollo the Viking: Authentically dressed

as Viking warlord Rollo the Walker – who was famously too tall to ride a horse – your guide will take you around the city to learn about the Viking raiders who made Rouen their capital. This tour focuses on the city’s medieval past and you will enjoy some free time afterwards to explore.

Tastes of Normandy: The region of Normandy is as diverse as it is abundant. The dairy industry makes way for the numerous and delicious soft creamy cheeses that are popular in this area and often regarded as some of the best in France. The high number of quality orchards allow the production of Cider and Calvados. Try some of the best this region has to offer during this tour.

Back on board this evening, join a lecture about WWII to gain a better understanding ahead of your full-day excursions tomorrow.

Lecture on WWII: History comes alive tonight with an interactive lecture on the battles of WWII. Discover what life was like during the campaigns of D-Day,, learn about Operation Fortitude, the plan created to deceive the Germany Army on the location of D-Day,, and see how technology had evolved since WWI.

Arrives On: 17 Oct 25

Day 4: Honfleur (France)

This morning your Scenic Space-Ship will dock right in the centre of Honfleur, a colourful coastal town that has been described as having one of the prettiest harbours in France, Le Vieux Bassin. Over the years the town has captured the imaginations of countless artists and was the birthplace of Impressionism. The bustling harbour and cobbled streets are a confection of half-timbered houses, restaurants, gourmet shops and art galleries. It’s an easy walk from the ship to explore the harbour area and network of laneways beyond.

You can choose to explore Honfleur or take an excursion today to the Normandy Beaches to learn about the D-Day Landings, where tens of thousands of allied troops came ashore on June 6, 1944, to free north-western Europe from Nazi occupation. Six weeks of heavy fighting and losses followed, but this strategic campaign ultimately ended the war.

1944, until the liberation of Paris.
