On another option visit Satcha Cambodian Handicraft Incubation Centre. The aim of Satcha is to create the first Cambodian handicraft centre that incubates local artisans, mixing traditional knowledge with contemporary design to showcase Cambodian talents.

Alternatively, if you have enjoyed being on the water, sail on Tonle Sap Lake (July to February), a picturesque UNESCO biosphere reserve and dive deep into discovery when visiting and experiencing the life of a floating village.

Or take flight in a tethered balloon to discover the aerial beauties of the combination between traditional and modern Siem Reap. Enjoy the fresh air and take some remarkable photographs of the skyline as you lift into the skies of Siem Reap overlooking Angkor Wat below before visiting a Lotus Flower workshop. (Not available in November and December 2024).

Alternatively choose the Market Shopping Excursion, transfer to the central market by tuk tuk and shop independently.

Later this afternoon explore Angkor Wat itself, the largest religious monument in the world. Originally constructed as a Hindu temple dedicated to the god Vishnu for the Khmer Empire, it was gradually transformed into a Buddhist temple towards the end of the 12th century. An afternoon visit provides the perfect light for those idealic pictures of this colossal structure.

This evening head to the colourful Cambodian Phare Circus where your VIP premium reserved seating awaits you. Beautifully dressed performers style a stunning show that is more than just a circus.
