Your arrival in the city is met with a choice of excursions. One choice takes you on a TD-led orientation walk, where you'll learn about the city's history as you sightsee and stroll through its romantic alleys, picturesque courtyards, and cozy squares of its Old Town. Many central locations in Frankfurt have been restored to its original architectural style, and today you'll have the choice to explore these quarters on walking tours; one is more active to view historic cathedrals, and ornately gabled half-timbered houses lining picturesque streets and squares, and learn about its role post-WWII. Along the way you'll taste local culinary products before finishing the tour by the Old Town Square. Alternatively, set off on a more leisurely walking tour of the Old Town Square, also enjoying local goods as you explore. Lunch is back on the ship with free time to enjoy the amenities.

Arrives On: 09 May 27

## Day 8: Würzburg (Germany)

Germany coined this theme name in the 1950s, for post-war positivity to begin travel again. Today, as you dock in Würzburg you'll have the option to

tour one of two cities; walk from the ship to explore its lavish baroque and rocco architecture and learn about post-WWII life here, alternatively, choose the short drive to Rothenburg ob der Tauber for a walking tour with a local guide to see the medieval architecture and half-timbered houses that line the cobblestone lanes. You may choose to visit the former home of composer and theatre director, Richard Wagner, which has been turned into a museum, or get a true taste of genuine weissbeir with a visit to Maisel Brewery, a family-owned brewery that is one of few to make this Bavarian style beer. Everyone may enjoy free time to explore Bayreuth as you please. Lunch is back on the ship as you cruise for Bamberg, a town laid out over 7 hills where the Regnitz and Main rivers meet. If you feel like stretching your legs some more you can take the short drive for a walking tour of this UNESCO World Heritage Site town to see The Romanesque Bamberg Cathedral, cross the bridges over Regnitz River and preserved Old Town. If you wish to stay above ground, take a walking tour to view well-preserved landmarks such as the ornately decorated churches and the walls that line the Old Town.
