Explore both sides of the city on a guided tour featuring a mix of architectural masterpieces and monuments including Heroes' Square, dominated by statues of leaders from Hungarian history and surrounded by museums and

stately embassy buildings; the Gothic-Revival home of the Hungarian Parliament, an iconic feature of the Budapest skyline along the Danube; Fishermen's Bastion, standing watch over the river; and the bustling Covered Market, a showcase of Hungarian specialties, from food to crafts. Day 3: Bratislava (Slovakia)

An ancient city with a modern pulse, Slovakia's dynamic capital is home to an Old Town brimming with life – and devoid of cars – along with one of the youngest populations of any city in Europe today. Our local expert shares insider anecdotes about Bratislava before you join a walking tour of the cobblestoned city center, the perfect place for ambling. Seventeen centuries of Slovak history are eloquently chronicled in its 13th-century Old Town Hall, Baroque Habsburg-era palaces, the Opera House, Slovak Philharmonic Hall, and St. Martin's Cathedral, site of the coronation of many Hungarian royals. Cruise this afternoon to Vienna, enjoying the passing scenery and shipboard activities. Tonight, nothing quite compares to the royal treatment you'll experience at a Tauck Exclusive – our private evening at Palais Pallavacini, a 19th-century palace in the heart of the city. Welcome champagne precedes dinner and a live musical performance. Please note: To preserve your sightseeing experience in Vienna and maximize our time there, we may rotate our evening activities on some departures.
