Day 1: Amsterdam (Netherlands)

Tour begins: 5:30 PM, Amsterdam. A transfer is included from Schiphol International Airport or Amsterdam Centraal Station to your riverboat; check-in time aboard ship is 4:00 PM for all guests. After a discovery briefing where you'll hear about your river travels ahead, please join us for a welcome reception followed by dinner aboard your riverboat to celebrate the start of a fantastic journey.

Arrives On: 20 May 26

Day 2: Amsterdam (Netherlands)

Your day in Amsterdam begins with a choice of excursions. One takes you on a guided canal boat cruise, where you'll glide beneath curved bridges carrying walkers and cyclists – sometimes trams and cars – and by narrow merchant homes, whose goods were once pragmatically stored on the upper floors followed by a guided visit to the famed Rijksmuseum – home to many works by

Rembrandt and other old Dutch Masters. Your other option is a three-hour bike ride outside of Amsterdam to the town of Zunderdorp and the village of Ransdorf. Drive to the old university town of Utrecht reuniting with your riverboat for lunch followed by an afternoon lecture.

Arrives On: 21 May 26

Day 3: Cologne (Germany)

Overnight your riverboat crosses into Germany; after a full morning of cruising and brunch onboard, you'll arrive in Köln (Cologne), a city made a capital of a Roman province in 50 AD. Sightseeing begins with a guided tour of the immense twin-towered Kölner Dom (Cologne Cathedral), whose construction took a mere six centuries. Completed in 1880, UNESCO declared this Gothic "Dom" a World Heritage Site in 1995, recognizing its cultural value as "a testament to the longevity of faith." You'll explore this intimately scaled city on a choice of walking tours (one at a lesiurely pace and the other at a faster pace). Following a bit of free time, travel to a Tauck Exclusive private evening featuring a cocktail reception, dinner and entertainment at Schloss Ehreshoven, a German palace dating back to the 15th century. Built in the 14th century and later expanded in the style of a grand Baroque manor house, the estate is surrounded by a moat, landscaped gardens, and a castle park. Schloss Ehreshoven is frequently used as a film location, but this evening it's the elegant setting for a Tauck guests. Rejoin the riverboat tonight in Köln to continue your cruise.

Arrives On: 22 May 26

Day 4: Koblenz (Germany)

Your riverboat arrives this morning in Koblenz. The city's roots go back to the Middle Ages, when its location made it a powerful one as the controller of trade along these major waterways. You may choose a morning of a scavenger hunt in Koblenz, or a bicycling excursion.* If you choose to the scavenger hunt, explore a mix of delightful town squares, tucked-away corners, medieval churches, baroque residences and cozy wine taverns complemented with tastings at local shops throughout. Should you choose to go bicycling (a countrywide passion in Germany), you'll follow easy riverside trails through forest, meadows and Riesling winelands, taking in views of the passing pleasure boats and freighters. After lunch aboard the riverboat, the entire afternoon is spent cruising through the quiet Rhine River Valley, past small cities, churches, ancient walls and castles; enjoy dinner and other activities aboard the ship tonight.

Arrives On: 23 May 26

Day 5: Germersheim (Germany)

Arrive in Mannheim this morning. Nicknamed the "city of inventions," Mannheim is known for its inventions, many of which are used in our day to day lives including the automobile, the tractor and the bicycle. Your adventures today offer you a choice of exploring either Speyer or Germany's

oldest university town, Heidelberg. If you choose Speyer, begin at the impressive Technik Museum – dedicated to every form of technology that moves, from vintage cars to the Russian BURAN space shuttle. After lunch at a local restaurant, walk to Speyer Cathedral, a UNESCO World Heritage Site, with its natural glass windows and roof made entirely of stone. Or choose an excursion to Heidelberg, where narrow lanes, shops and pubs housed in 17th-century structures in the Altstadt are kept lively by the cadence of student life. Visit the romantic ruins of Heidelberg Castle, of which Mark Twain wrote in *A Tramp Abroad*; the schloss is an imposing ensemble of buildings from different architectural periods; from its terrace and gardens, the sweeping views impress along with the feel of 600 years of history. Lunch in Heidelberg will feature a meal of traditional German cuisine. Tonight, your ship charts a course for Strasbourg.

Arrives On: 24 May 26

Day 6: Strasbourg (France)

You'll wake this morning cruising along on the Rhine, watching as the hills of southern Alsace, many checkered with vineyards, pass you by. Once docked, the day begins in the Alsatian cultural capital of Strasbourg, France with a choice of excursions. Home to the charming canals and half-timbered houses of La Petite France, stately city residences, a Gothic cathedral, and plenty of winstubs, traditional Alsatian beer pubs, you'll have the option to either explore Strasbourg on foot or by bicycle. After a morning of sightseeing in Strasbourg, you may choose to stay in town to explore on your own or travel to the German spa resort town of Baden-Baden, on the edge of the Black Forest for a walking tour and free time in the town center, a UNESCO World Heritage Site. Return to the ship for a Chef's Signature dinner and an evening of cruising.

Arrives On: 25 May 26

Day 7: Basel (Switzerland)

A choice of excursions await you today upon your arrival in Switzerland, commonly referred to as "the Playground of Europe." On one, you'll head out for the heights of Mt. Pilatus aboard a gondola, climbing from Kriens to the very top (Oberhaupt) – nearly 7,000 ft. high; return via Alpnachstad, at the edge of Lake Lucerne, aboard the world's steepest cogwheel train and enjoy an orientation tour of Lucerne, Switzerland's "City of Lights." Alternatively, you may prefer the pleasures of lunch and a wine tasting along the Alsatian wine route. If so, you'll head to Château Haut-Koenigsbourg, originally built in the 1200s. Burned, abandoned and restored to its former glory in 1899, the castle presents a picture of a mountain fortress of the Middle Ages; after your visit, head to the French Alsatian town of Riquewihr for lunch and a wine tasting. Join us this evening for the captain's farewell reception followed by dinner aboard ship.

Arrives On: 26 May 26
