A boat cruise shows you more of Lake Como, which the poet William Wordsworth described as "a treasure whom the earth keeps to herself." The forested shoreline is punctuated by small towns with ancient stone bell towers and opulent villas owned by jet-setters and celebrities and is sure to be a highlight of your journey. Disembark in the town of Como for free time to explore as

you wish and head back to Milan late this afternoon.

## Day 3: Milan (Italy)

Immerse yourself in magnificent Milan on an orientation and walking tour that includes; a visit to Piazza della Scala, one of the most famous opera houses in the world, Palazzo Marina and an outside visit to the incredible Gothic Cathedral of Milan, il Duomo, the third largest Catholic church in the world. It took 500 years to finish this forest of spires and pinnacles topped by the iconic statue of the golden madonnina. Steps from il Duomo, stroll through the city's premier gathering place, Galleria Vittorio Emanuele II, a.k.a. "the living room of Milan." This massive yet elegant shopping arcade, topped by an airy glass octagonal dome, was built as a symbol of Italian unity in the late 19th century and named after the first king of Italy. Your afternoon is free to explore as you please perhaps visiting Pinacoteca di Brera, a great art collection including works by Raphael, Bellini, Piero della Francesca, and Caravaggio… the fashion district between pedestrianized Via della Spiga, via Montenapoleone, via Manzoni, and Corso Venezia… or the Bohemian Navigli neighborhood of canal-side bars, restaurants, and shops.

Arrives On: 09 Oct 27

## Day 4: Basel (Switzerland)

After breakfast, drive to Lugano, Switzerland, where you'll enjoy some free time to explore a town that blends Alpine and Mediterranean beauty. Dock in the port town of Mannheim this morning, before heading out from the riverboat to Heidelberg for a guided visit to the splendid ruins of Heidelberg Castle, a sprawling red sandstone compound high above the city, a reminder of 600 years of history. While here, check out the Heidelberg Tun, the biggest wine barrel in the world, learn about centuries of movers and shakers, and the romantic story of the Elisabeth Gate, built in 1615 as a present from Elector Frederic V to his wife Elisabeth Stuart, the daughter of King James I of England. He had the triumphal arch secretly crafted in sections and put up as a whole the night before her birthday to surprise her the next morning. The views of the Neckar River Valley from the castle are unforgettable; your visit is followed an opportunity to explore Old Town Heidelberg. Board the riverboat in Mannheim and spends the afternoon cruising north. You'll have time to enjoy the gym, get a massage… or curl up in a chair on the Sun Deck with a snack and your favorite drink.
