One possibility is to visit Melk Abbey, a sprawling Baroque edifice high on a hill overlooking the Danube. Softly golden in the winter light, Melk Abbey is filled with centuries of treasures. It's been a beacon of learning for generations and is still home to a secondary school today. On a guided tour, your family will love imagining going to school in these magnificent surroundings. According to the abbey's Christmas legend, the Virgin Mary and the Christ child made a miraculous visit to the abbey, where a young novice juggled oranges and entertained the infant so much that he clapped for joy and Mary gave the baby to the priest-in-training to hold. Your family's other choice this morning is to go on a walking tour in the charming riverside Old Town of Krems, set against a striking backdrop of terraced vineyards. After lunch onboard your riverboat, enjoy some local wines at a tasting and learn about wine-making in the Wachau Valley. Your riverboat sails for Vienna this afternoon.
